Resolutions

Remuneration Report

1. Resolution 1 – Adoption of Remuneration Report

To consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

“That, for the purpose of Section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report as contained in the Company’s Annual Financial Report for the financial year ended 30 June 2020”.

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement: In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Company’s key management personnel (including the Directors), whose remuneration details are included in the Remuneration Report (**KMP**), or any of that person’s Closely Related Parties (such as close family members and any controlled companies of those persons) (collectively referred to as Restricted Voter). However, the Company need not disregard a vote if:

If you appoint the person chairing the Meeting (**Chair**) and you are not a Restricted Voter, by submitting the Proxy Form you authorise the person chairing the Meeting to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP, and you will be taken to have directed the Chair to vote in accordance with his or her stated intention to vote in favour of Resolution 1. Voting Exclusion Statement: The Company will disregard any votes cast in favour of Resolution 3 by or on behalf of:

- (i) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (ii) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or

- (c) an Associate of that person or those persons described in (a) or (b).

However, this does not apply to a vote cast in favour of Resolution 4 by:

- (i) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with direction given to the proxy or attorney to vote on the Resolution in that way; or

Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://exopharm.com/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2021 Annual General Meeting (**2021 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2021 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2021 AGM. All of the Directors who were in office when the 2021 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Re-election of Director

Resolution 2 – Re-election of Mr Jason Watson as Director

The Company's Constitution provides that:

- If the Company has 3 or more Directors, one third of the Directors (rounded down to the nearest whole number) must retire at each general meeting of the Company;
- If the Company has less than 3 Directors, one Director must retire at each annual general meeting of the Company.

The Managing Director is exempt from retirement by rotation as set out above. The Company has three Directors, one of whom is the Managing Director. Accordingly, one Director is required to retire by rotation at the 2020 AGM. The Director (excluding the Managing Director) to retire at an AGM is the Director who has held their office as Director the longest period of time since their last election or appointment to that office.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Jason Watson was appointed as a Director of the Company on 10 August 2018 and has not sought re-election since appointment.

Under this Resolution, Jason Watson has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Mr. Watson has board and advisory experience acting with small and medium-sized enterprises, research institutes and listed companies in the life sciences and other sectors. In particular, he has assisted companies in developing, commercialising and transacting technologies through significant biotechnology licensing deals.

Mr. Watson is principal of Elementary Law, a legal practice based in Melbourne, Australia. His practice focuses on assisting clients to achieve the best outcomes for their patents and innovations, including through corporate fundraising, protection strategies, licensing and commercialisation. In this capacity, Mr. Watson has been recognised in the Intellectual Asset Magazine Patent 1000 independent list of The World's 1000 Leading Patent Professionals.

Mr. Watson has expertise in relation to complex transactions, including establishing multi-party engagements, research and consultancy contracts and negotiating and implementing clinical trial, licensing, assignment, manufacturing, shareholding and other commercial arrangements.

Mr. Watson has a Bachelor of Laws with Honours and a Bachelor of Commerce.

Directors' recommendation

The Directors (excluding Mr. Watson) recommend that Shareholders vote for this Resolution.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$46.54 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the

recipient of the equity securities; and

- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) to accelerate the commercialisation of the Company's technology platforms;
- (b) to progress further pre-clinical testing and clinical trials;
- (c) to further develop additional Intellectual Property (IP); and
- (d) as general working capital.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.1950 50% decrease in issue price	\$0.39 issue prices ^(b)	\$0.78 100% increase in issue price
"A" is the number of shares on issue, being 119,340,000 Shares ^(a)	10% voting dilution ^(c)	11,934,000	11,934,000	11,934,000
	Funds raised	\$2,327,130	\$4,654,260	\$9,308,520
"A" is a 50% increase in shares on issue, being 179,010,000 Shares	10% voting dilution ^(c)	17,901,000	17,901,000	17,901,000
	Funds raised	\$3,490,695	\$6,981,390	\$13,962,780
"A" is a 100% increase in shares on issue, being 238,680,000 Shares	10% voting dilution ^(c)	23,868,000	23,868,000	23,868,000
	Funds raised	\$4,654,260	\$9,308,520	\$18,617,040

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 26 October 2020.
- (b) Based on the closing price of the Company's Shares on ASX as at Monday 26 October 2020.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM

The Company has issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM. Details of these issues or agreements to issue are set out in the table below:

Number/Class of equity securities issued	Terms of the securities issued	Price and discount to closing market price on the date of issue (if any)	Consideration details	Allottees of the Securities

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Background

As announced to the ASX on 26 November 2019 as part of Dr Ian Dixon's employment contract, in CY 2020 Dr Dixon is eligible for an at-risk bonus consisting of \$80,000 cash (**Cash Bonus**) and 200,000 share bonus (**Share Bonus**) based on achievement of key performance indicators (**KPIs**) that would be monitored by the Board.

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, the Company, as a listed company, must not issue equity securities to persons in a position of influence without Shareholder approval.

A person in a position of influence for the purposes of Listing Rule 10.11 includes:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an Associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders.

As Dr Ian Dixon is a Director of the Company, he is considered a person in a position of influence for the purposes of Listing Rule 10.11. The proposed issue does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

To this end, this Resolution seeks the required Shareholder approval to issue the Annual Bonus Shares to Dr Dixon under and for the purposes of Listing Rule 10.11.

If approval is obtained under Listing Rule 10.11, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1.

If this Resolution is passed, the Company will be able to proceed with the proposed issue and Dr Dixon will be issued with the Annual Bonus Shares.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue and Dr Dixon

will not be issued with the Annual Bonus Shares.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Annual Bonus Shares (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors of the Company (being Messrs. Jason Watson and David Parker) carefully considered the issue of these Annual Bonus Shares to Dr Dixon and formed the view that the giving of this financial benefit as part of his remuneration would be reasonable, given that the terms of proposed issue were captured in Dr Dixon’s employment agreement (as announced on 26 November 2019), the circumstances of the Company, the quantum and terms of the Annual Bonus Shares, and the responsibilities held by Dr Dixon in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Annual Bonus Shares to Dr Dixon fall within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of the Annual Bonus Shares to Dr Dixon requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.
